Title of Proposal: Study of Public Housing Agencies' Engagement with Homeless Households- Follow-up Sample Survey.

OMB Control Number: XXXX-pending

Description of the need for the information and proposed use: This information collection will support research that will explore and document how public housing agencies (PHAs) currently serve and interact with homeless households, to achieve the following: (1) establish a baseline level of PHAs' current engagement in serving homeless households, (2) document the practices of PHAs that have an explicit preference for homeless households; (3) explore PHA perceptions of barriers to, or concerns about, increasing the number of homeless households

served or targeting homeless households for priority housing assistance; and (4) identify mechanisms to address or eliminate barriers to serving homeless households in mainstream housing assistance, with a focus on the housing choice voucher (HCV) program and public housing. Findings of this study will enable the U.S. Department of Housing and Urban Development (HUD), which funds PHAs, to develop strategies to expand access to mainstream housing opportunities for homeless households that are rooted in evidence and informed by the PHAs themselves. This proposed data collection consists of a telephone survey to be administered to a purposeful sample of 125 public housing agencies.
